

## Object Permanence, Interoception and Neurodiversity

Monday 4<sup>th</sup> May, 10.00am till 1.00pm.

Members: £12.50 Non-Members: £20.00

**The workshop will be led by Dr Wenn Lawson**

The purpose of this session is to help professionals and families understand complex behaviour in the context of atypical object permanence and interoception. When we can improve the understanding and awareness of both, this directly improves well-being and self-regulation.
