

Fairy Tales

Story Boards

In school, we have begun learning about fairy tales, and the language we would use when writing a story.

Your task today is to make a **story board** of one of your favourite fairy tales. This might be Snow White, Peter Pan, Sleeping Beauty etc.

You will need to split a piece of paper into 3 or 4 boxes. In each box you will need to draw a part of the story; the beginning, the middle parts and the end.

In each box you need to write a caption to explain what is happening in the picture you have drawn.

An example of what a storyboard looks like is shown below.
