## Message from Miss Taunt

Dear Families,

It's been a busy week! Years 4-6 had a fantastic first food education session with Prept. They tried all sorts of interesting tastes and even prepared some of their own food. These sessions will take place every term for the rest of the year.

A huge thank you to our brilliant PTA and staff for organising a wonderful Christmas Disco, which raised lots of money for the school. Even Santa came along—it was that good!

You will have received letters about the clubs running in the spring term. We have something for everyone: from sports to choir, from book club to Spanish. This is a great opportunity for children to experience something a little different. We also offer music lessons during school time: piano and guitar tuition through Piano Fun Club, and Rock Steady rock band lessons. See page 5 for more details.

It's that time of year when the weather is bad, it's dark, and everyone is feeling a little under the weather. Please make sure your child still comes to school. They can attend if they have a cold or a cough, and they can come if you have given them Calpol or similar. Please only keep them off if they have sickness and diarrhoea or a high temperature. Remember: all children with 95% attendance will be entered into a draw to win a £25 Amazon gift voucher.

Please also be considerate of our neighbours when parking. Do not block driveways. An ambulance was unable to reach an elderly neighbour this week because a parent had blocked the drive.

Have a great weekend!

Rose Taunt, Head Teacher

Since the Summer holidays, our school has been receiving deliveries from The Felix Project, a United Kingdom charity that saves surplus food from shops and gives it to charities and other organisations, such as schools.

Our deliveries arrive on a Friday morning, then staff and parent volunteers sort it out ready for collection.

In our deliveries, we receive mainly fruit and vegetables that would otherwise go to waste; we can never tell what is going to turn up, sometimes we have crates of carrots, other times it's boxes of bananas.

The delivery usually comes at about 9.30am, but we always send a message to parents to say that it's arrived.

We bag up for a small number of families who are unable to get here in the morning, apart from that you need to bring your own bag and then help yourself to the fruit and veg that you need. We sometimes get small amounts of other items, such as bread and juice; for these we ask that you take just 1 of these items per family so we can share it out fairly.

We have deliveries every week during term time, and also sometimes in the holidays- we always text to let you know.

# READING MATTERS

*Books build a stairway to your imagination*

We are **RESILIENT** and  
learn from our mistakes

November marks Remembrance Day, a time to reflect on courage, sacrifice, and the impact of conflict. This month's recommended reads explore stories of conflict, peace, refugees and migrants through the eyes of children and families. These books help young readers understand history, empathy, and resilience, while encouraging thoughtful conversations about bravery and hope. You could share these stories at home, having conversation about the importance of remembering and learning
