Message from Miss Taunt

Dear Families

As always, it has been great to see the children back in school. I have been really impressed by their calm, respectful behaviour around school and how they have returned keen and focused to learn. It's going to be a great term!

We have had a brilliant Science Week.

Thank you to Mr Hardman for organising it all. Well done to all our amazing Scientists of the Week: Tanzila, Khabib, Reva, David, Nikolai, Sakchyam, Jad, Raheeq, Casey, Noah, Amilah, Aisha, Jeevna, Lujain and Ramiyan. The children have loved all the science-themed activities, the exciting science assemblies from Sublime Science, and the Great Science Share, where they presented and learned from each other.

We have been excited to hear which children will be joining Belmore in Reception this September. We can't wait to meet all our new children and families. We still have places available in both Reception and Nursery for September. If you know anyone who is still looking for a place, please do pass on how wonderful we are and invite them to contact the office for a personalised tour with a member of the senior leadership team. Having a full school benefits our whole community. If every class were full, it would bring in close to a million pounds to our annual school budget. Think of the opportunities we could offer our children!

Talking of great opportunities, clubs start back next week. You can find all the details and booking links on page 5. If you are eligible for Pupil Premium, you are able to access some of these clubs for free. Please contact the school office for a discount code.

Have a lovely weekend
Rose Taunt

Dates for next Week

Monday 20th April

PSD and teacher led clubs start—See page 5 for more booking info.

KEEPING SAFE ONLINE

We are *RESILIENT* and learn from our mistakes

We are getting more and more children who are using online games and social media inappropriately. Make sure you have the right information to keep your child safe online.

Everything you need to know about WhatsApp

You're probably well aware of WhatsApp and its huge user-base. The app has become a go-for a convenient and easy way to keep in touch on an individual basis as well as in groups.

But are there any possible risks, and how safe is it for children? Here's everything you need to know.

WhatsApp safety guide for parents

13+ WhatsApp's minimum age in the UK	58% Kids aged 3-17 who use WhatsApp	37% Kids under 13 who use WhatsApp
--	---	--

5 tips to keep kids safe on WhatsApp

- 1 Review privacy settings** WhatsApp has a range of privacy and security settings to keep users safe. Customise groups, app access, live location and more.
- 2 Customise contacts** Show your child how to report and block unwanted contacts. Then, work with them to add their friends and family. Review and talk about their contacts regularly.
- 3 Talk about personal information** Make sure your child understands what personal information is. Talk about the importance of keeping that information private on WhatsApp.
- 4 Show them where to get support** If something goes wrong or they see something worrying on WhatsApp, make sure they know to come to you, and talk about other sources of support.
- 5 Check in regularly** Once you've done all of the above, check in with them regularly to review settings and how they use WhatsApp.

Please let us know if they are any concerns regarding bullying online so that we can support children in school. As parents, it is your responsibility to monitor and check children's usage and devices.

READING MATTERS

Books build a stairway to your imagination

We are *RESILIENT* and
learn from our mistakes

On 5th March, we celebrated World Book Day, and what a fantastic day it was at Belmore!
Our children and staff enjoyed a wonderful time celebrating stories, characters, and the joy of reading.

To help keep the excitement going, here are **nine brilliant new books published in 2026** that have already captivated and inspired both our teachers and pupils. Happy reading!
