Message from Miss Taunt

Dear Families,

We have exciting news to share with you this week on two fronts.

Firstly, we are proud to present our new school logo. You will begin to see this on signage and leaflets over the coming weeks, as well as on our new website towards the end of the summer term. We are keeping our iconic Belmore blue uniform, and the new logo will be available on uniform ready for September at the same price. Children may continue to wear uniform with the old logo for as long as they have it, and unbranded blue jumpers and cardigans are still perfectly acceptable. We feel the new logo represents us as a joyful, confident place to learn and really stands out in the community. Our new strapline: **Bold learning. Big experiences. Bright futures.** captures everything we aspire to as a school and for our children.

Our second piece of exciting news is that the council is consulting on measures to help resolve the traffic issues along Owen Road. We are very keen to see *School Streets* implemented, which would prevent cars from driving down the road during drop-off and pick-up times. There have been too many near misses and far too much frustration related to traffic and parking. Please support us by completing the consultation by [clicking here](#) or by scanning the QR code. We have been campaigning for solutions to the traffic problem for the last two years so really hope this is the first step to improvements.

Have a lovely weekend in the sun!

Dates for the week

Dear Parents

Learning Labs Tuition have partnered with Belmore Primary School to provide additional support in Maths & English to our students. This will include Maths and English support, 11+ Grammar School preparation, SATs preparation, and help with school homework! They will be running Belmore Primary specific courses that have been made to help our students progress and improve at school.

We have arranged subsidies and discounts of up to **50% discounts** for our families and we encourage you to register as soon as possible to avoid disappointment. There are limited spaces available.

Please get in touch at the number ABOVE to book a free consultation, or fill in the [online form here](#) to register your interest.

Everything you need to know about WhatsApp

You're probably well aware of WhatsApp and its huge user-base. The app has become a go-to for a convenient and easy way to keep in touch on an individual basis as well as in groups.

But are there any possible risks, and how safe is it for children? Here's everything you need to know.

WhatsApp safety guide for parents

internet matters.org

13+	58%	37%
WhatsApp's minimum age in the UK	Kids aged 3-17 who use WhatsApp	Kids under 13 who use WhatsApp

5 tips to keep kids safe on WhatsApp

- 1 Review privacy settings** WhatsApp has a range of privacy and security settings to keep users safe. Customise groups, app access, live location and more.
- 2 Customise contacts** Show your child how to report and block unwanted contacts. Then, work with them to add their friends and family. Review and talk about their contacts regularly.
- 3 Talk about personal information** Make sure your child understands what personal information is. Talk about the importance of keeping that information private on WhatsApp.
- 4 Show them where to get support** If something goes wrong or they see something worrying on WhatsApp, make sure they know to come to you, and talk about other sources of support.
- 5 Check in regularly** Once you've done all of the above, check in with them regularly to review settings and how they use WhatsApp.

Please let us know if they are any concerns regarding bullying online so that we can support children in school. As parents, it is your responsibility to monitor and check children's usage and devices.

READING MATTERS

Books build a stairway to your imagination

*We are RESILIENT and
learn from our mistakes*

On 5th March, we celebrated World Book Day, and what a fantastic day it was at Belmore! Our children and staff enjoyed a wonderful time celebrating stories, characters, and the joy of reading.

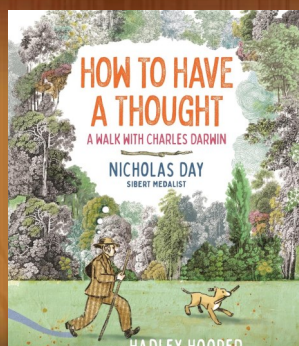

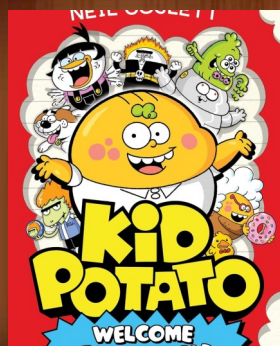

To help keep the excitement going, here are **nine brilliant new books published in 2026** that have already captivated and inspired both our teachers and pupils. Happy reading!
