Message from Miss Taunt

Dear Families,

It's been a lovely, calm last week of school. The children have loved their Easter Dojo reward, which was a massive Easter egg hunt, and we've been proud to celebrate all our star pupils in our end of term celebration assemblies. There are lots of messages this week:

Club Bookings

You will have received letters this week about the new booking system for all clubs, including PSD sports clubs, Breakfast Club and Belmore Adventurers After School Club. You can now book places for all these clubs by clicking the link in your letters for the sports clubs, or [click here](#) for Adventurers and Breakfast Club.

Holiday Food Vouchers

We have been informed that holiday food vouchers will be sent out on **Tuesday 31st March**.

Swimming Pool

You will notice a temporary swimming pool on the playground when you return after Easter. It will be there for three weeks to enable Years 4 and 5 to learn how to swim. Please ensure that no adults or children enter the pool marquee during pick-up and drop-off times.

Free Year 6 SATs Booster Sessions at Learning Labs

We are very grateful to Learning Labs, who have kindly offered our Year 6 pupils free sessions over the Easter break. Please see page 8 for further details and how to book.

Asthma Friendly School

Well done and thank you to Ms Marsh for all your hard work in helping Belmore become an Asthma Friendly School!

Have a great spring break and we can't wait to see you all again on Tuesday 14th April!

Rose Taunt, Headteacher

Everything you need to know about WhatsApp

You're probably well aware of WhatsApp and its huge user-base. The app has become a go-to for a convenient and easy way to keep in touch on an individual basis as well as in groups.

But are there any possible risks, and how safe is it for children? Here's everything you need to know.

5 tips to keep kids safe on WhatsApp

- 1 Review privacy settings** WhatsApp has a range of privacy and security settings to keep users safe. Customise groups, app access, live location and more.
- 2 Customise contacts** Show your child how to report and block unwanted contacts. Then, work with them to add their friends and family. Review and talk about their contacts regularly.
- 3 Talk about personal information** Make sure your child understands what personal information is. Talk about the importance of keeping that information private on WhatsApp.
- 4 Show them where to get support** If something goes wrong or they see something worrying on WhatsApp, make sure they know to come to you, and talk about other sources of support.
- 5 Check in regularly** Once you've done all of the above, check in with them regularly to review settings and how they use WhatsApp.

Books build a stairway to your imagination

*We are RESILIENT and

On 5th March, we celebrated World Book Day, and what a fantastic day it was at Belmore! Our children and staff enjoyed a wonderful time celebrating stories, characters, and the joy of reading.

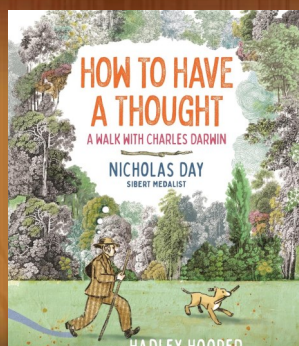

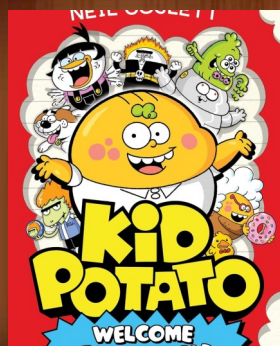

To help keep the excitement going, here are **nine brilliant new books published in 2026** that have already captivated and inspired both our teachers and pupils. Happy reading!
