Dear Parent/ Guardian

RE: CGP Books and SATs Papers

As you will be aware, your child is due to take his/her KS2 SATs tests in May 2021. In preparation for this, you may be considering buying CGP revision materials. We are writing to let you know that we will be selling these at a **greatly discounted rate** to all parents. We would therefore suggest that you do not buy these direct from the shops.

The following material will be available to order:

Item	Retail Price	School Price
KS2 Maths SATs practice papers (Pack of 5)	£21	£15
KS2 Maths Standard Level Book	£5.95	£4
KS2 Maths Advanced Level Book	£5.95	£4
KS2 Maths SATs Book Bundle - Arithmetic - Number, Ration and Algebra - Geometry, Measures and Statistics	£10.00	£7.50
KS2 English Targeted Question Book Bundle (reading)	£6.00	£4.50
KS2 English SAT Buster – Grammar, Punctuation and Spelling	£4.95	£3.50

We also use some CGP resources in class as teaching materials and it is not helpful if pupils have already used the same CGP books at home. Over the years, we have found that pupils do not benefit from these fully if they have they have already used them at home.

May I also request that you **do not use past SATs papers online** to help your child with revision and **if your child has a tutor, please ask them to refrain from using these either**. Please note that we use these as a regular form of assessment and if your child has already worked through these tests, then he/she may not receive the appropriate level of support to achieve their full potential in Year 6.

If you would like to purchase any of the above materials, please complete the order slip below enclosed with payment and **return to your class teacher by Wednesday 9 December 2020**. Any order slips returned after this date will be unable to be processed. We will only place orders once the monies have been received.

Thank you in advance for your support.

Yours sincerely

Year 6 Teaching Team
