

# YEAR 6 CURRICULUM NEWSLETTER

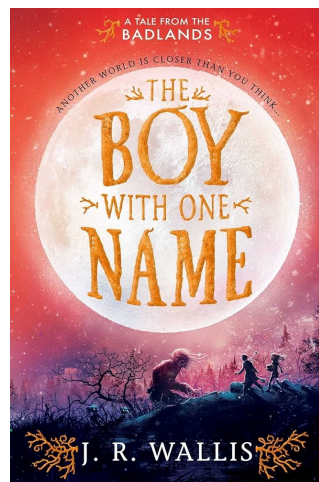

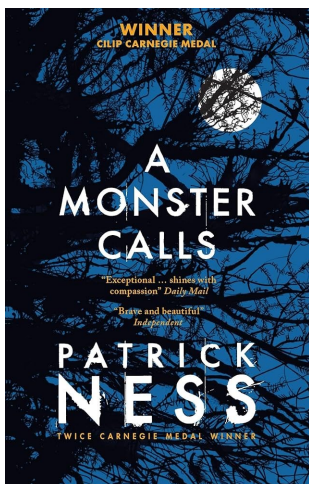

AUTUMN TERM 2 2024

This term in Year 6, your child will be participating in some exciting new learning. To get them ready for this and to support you in understanding some of what they will be learning at school, we have collated some ideas for you to enjoy together at home and out and about.

## Topics we will be learning about:

- Science - Classifying Living Things
- History— What was life like in Baghdad during the Golden Age of Islam?
- Maths - Four Operations & Fractions
- Reading - A Monster Calls and The Boy with One Name
- PSHE - Respect
- Writing - Finding stories and dialogue
- Design and Technology - Food technology—Come Dine with Me

## Books we are sharing in school:

## Books to read/listen to and share at home:

**Maths:**

In maths we will be moving onto fractions, decimals and percentages. We will be focusing on the following areas: Improper fractions, Mixed numbers , How to change an improper fraction into a mixed number and back, Convert decimals, percentages and fractions from one form to the other.

**Things to create for Dojo points:**

- Create a model of the animal kingdoms
- Write a diary entry in the perspective of Maitland
- Make a family recipe and share photos with the class
- Think of a three-course meal and design a menu

**Places to visit:**

- Science Museum
- Go for a walk in the countryside
- Library
- London Zoo
- A weekend market to see what seasonal produce is out
