Dear Parents/Carers

Re: Year 5 Residential Trip – Woodrow High House Amersham Wednesday 1st – Friday 3rd October 2025

Further to the details that we sent out in September and the initial interest form, we now need to finalise numbers for this trip.

We will be going to Woodrow High House, Amersham for a Year 5 residential trip at the beginning of the year. Woodrow High House provides a wide range of activities to develop life skills, build self-confidence and to encourage team work. This outdoor learning centre has an exciting array of adventurous activities to choose from, as well as some mind-bending challenges to tackle.

All children will participate in a range of activities during their stay such as swimming, orienteering, archery, bushcraft activities, team building, Jacobs's ladder experience and challenge course activities. This is a perfect introduction to residential trips for our Year 5's as it is close and only two nights.

I have attached to this letter further information sent by Woodrow House giving you more information about the site, the activities the menu and what kit the children need to take with them.

The package will include:

- 1) Full board and accommodation for 3 days and 2 nights
- 2) A fun packed activity program both daytime and sunset.
- 3) High quality experienced instructors
- 4) Fully comprehensive Travel Insurance.
- 5) An exciting learning and educational experience.

The provisional cost of the trip will be approximately **£252** which can be paid in instalments between now and September. This includes transport, food, accommodation and all activities.

We appreciate for many families after the last few years this will be expensive however after extensive research this is the most cost effective activity provider we could find for the package available. There will be support available towards the cost of the trip for Pupil Premium children and payment installments can be arranged. The deposit would be approximately £75.60 per person due in January 2025

If you are still interested in allowing your child to attend the Year 5 Residential please complete the form below. Unfortunately, if we do not get enough interest the trip will be unable to go ahead. A meeting will be held **on Thursday 30 January at 3pm** in the KS2 hall to share more information.

If you have any questions, please come and see me.
