## Message from Miss Taunt

Dear Families

Apologies for the late newsletter this week due to all the excitement of the Family Fun Day!

We had a brilliant afternoon and thank you to all those who came and thank you especially to the PTA who organised the whole thing. Currently there are only 2 members of the PTA and we are very grateful for all their hard work in putting on such an amazing afternoon for all the children. We really need more parents and helpers to run these events so please look out for more information in September about how to join the PTA.

We are sorry that some of you were disappointed about having to wait for the bouncy castles. They were obviously very popular and it was not practical to have more. When it comes to the Fun Day next Year we will reconsider if we have inflatables and how we manage the queues. Thank you to all the families who waited so patiently and who stepped in to help manage the children while they were waiting. It is so important that we have these community events and it was brilliant to see so many turn up and stay for the whole afternoon.

The excitement for the football is rising! We know for many children this will mean a late night tonight and so we will be offering 2 starts tomorrow (Monday). A normal 8.35-8.50 for all those families where parents need to get to work or who haven't watched the football. And a later 10-10.15 for all those who need a lie in after all the excitement! Children can not come between 8.50 and 10am and any children coming after 10.15 will be marked late.

I can't believe it's the last week of the term! We hope the year 6s especially have a brilliant last week.

Rose Taunt  
Head of School

## Parent Governor

We are very pleased to announce that Pooja Barrel is Belmore's new parent governor. We received two applications by the closing date. One applicant withdrew meaning that Pooja duly joined our Governor Board and attended the first meeting last week. We are grateful to Pooja giving up her time to volunteer to support and challenge our school as a governor.

## Sponsored Athlete event

The grand total raised for our school is **£3126.70!** This is an amazing amount of money raised to buy sports equipment for lessons and break times. We will be carefully planning how we spend this money next term. Thank you for all your support!

## Break Time Snacks

Please can we remind only fruit should be brought into school for snack. No sweets, crisps, chocolate, biscuits or cereal bars. Thank you!

# READING MATTERS

*Books build a stairway to your imagination*

*We are RESILIENT and  
learn from our mistakes*

Whether you read to your child or they're old enough to read themselves, **just 20 minutes of reading a day is enough to have positive impact on their educational and personal development.**

June's Recommended Reads are all to do with Football in celebration of UEFA Euro 2024. I know many of the Belmore children and families will be watching and supporting. It is great opportunity to see some incredible athletes at work and to feel inspired to work so hard at something that you become an expert!

## How to get help if you are worried about your child's mental health over the holidays

### Hillingdon MHST Self-Referral Information

#### Who We Are

Mental Health Support Teams (MHSTs) primary goals include offering evidence-based interventions for children and adolescents with mild to moderate mental health concerns, to aid in their education.

The service is active in various schools in Hillingdon and aims to enhance mental health assistance for the youth. **Please note we are only able to offer support to students attending the schools listed below (and their parents).**

Research shows a clear link between adult mental health challenges and experiences during childhood or adolescence. Teenagers who have faced common mental health disorders are at least two and a half times more likely to encounter mental health issues in adulthood compared to those who didn't. However, providing early support can help prevent future mental health issues.

#### What We Do

We provide both individual and group interventions with a focus on low intensity, effective methods for children, adolescents, and their families facing the following challenges:

- **Adolescent Anxiety:** Addressing worries, nervousness, and panic attacks. Learn techniques to manage anxiety, reduce worry, and confront fears.
- **Adolescent Low mood:** Supporting those feeling down and lacking motivation. Understand low mood, engage in valued activities, and manage negative thoughts.
- **Parent-Led Child Anxiety:** Assisting parents with children experiencing excessive worry or shyness. Learn techniques to boost confidence, decrease worry, and comprehend anxiety.
- **Parent-Led Behavioural difficulties** (for primary school-age children only): Helping parents learn techniques on emotional management, setting boundaries, understanding challenging behaviour, and fostering resilience in children.

### Hillingdon MHST Self-Referral Information

#### How to Refer

To self-refer for MHST support, please request a **digital fillable PDF** referral form or a **paper** form by scanning the QR code on the relevant page at the end of the booklet. This will provide a pre-filled email template. Please **do not** edit this template unless you are requesting a paper form and need to add your address into the email.

Once you receive your digital form, please complete the relevant fields, **save the document** and email it to [adminhillingdoncamhst@nhs.net](mailto:adminhillingdoncamhst@nhs.net).

Alternatively, if you requested a paper form, please **scan it** or take **clear photos** of all of the pages and email it to [adminhillingdoncamhst@nhs.net](mailto:adminhillingdoncamhst@nhs.net).

#### What Happens After You Make a Referral?

Once we have received your referral, we will respond via email or a send a letter to your address to acknowledge that we have received it. We will aim to do this within a week.

Our clinicians will then discuss your referral as a team and we will agree on the next steps.
