Message from Miss Taunt

Dear Families

Thank you for your support with uniform this week. Children are coming to school looking so much smarter and ready to learn without distraction. Please do let myself, Mr Dias-Smith or Ms Cook know if you would like any support in getting the correct school uniform.

It is so important that children come to school every day, especially as we get towards the end of term. We know children are really tired but every learning day counts.

PTA MEETING

8 Reasons why you should join!

- SUPPORT THE SCHOOL**
The PTA is vital to the success of the school. The funds raised from school PTA events can enrich your child's learning and make every student's experience better. Be part of the group that pays for the playground your child loves or funds the library that's their favourite place to be.
- BE BETTER CONNECTED**
Create closer links with the head, teachers and staff. If you're new to the school, the PTA is an excellent way to find out how things work and become part of the community. If not, you'll still gain greater insight by seeing how things work from both sides.
- CHANGE THE SCHOOL FOR THE BETTER**
Have your say on important decisions. Work with the school and other parents to see where improvements can be made, and implement them. Directly influence the experience of your child and hundreds of others.
- IMPROVE CHILDREN'S LEARNING**
Studies show that children whose parents are involved in their education do better in school. Engaging with the PTA shows your children's education is important to you. Play your part in improving the school and watch them.
- IT'S TOTALLY FLEXIBLE**
Whether you're a full-time parent or working the nine to five, anyone can get involved. It's less commitment than you think, and you don't always have to attend meetings. Small jobs such as designing a poster, distributing letters or running a stall keep everything running smoothly.
- IT'S NOT JUST FOR MUMS**
Everyone is welcome, and it's especially important to have dads and male carers represented, as male role models are crucial in children's upbringing. Dads can bring different skills; they can bring a different perspective, and they can bring along other dads.
- LEARN NEW SKILLS**
Everyone has something they can bring to the PTA, but you can also learn new skills by trading with others. Always wanted to perfect that cookie recipe? Not sure how to design a poster? Want to hone your public speaking skills? You can do it with the support of the committee.
- CREATE LASTING MEMORIES**
Our children are only at school for a few years, but they will remember the difference we make for a lifetime. They will cherish the activities and games we fund, learn using resources we buy, and remember the events we hold. Help keep the PTA going so future pupils can benefit too.
