Message from Miss Taunt

Dear Families

It's been lovely to see some sun this week!

Our focus on behaviour continues. We really hope you can join us at our parent sessions next week. Wednesday - 2-2.45pm and 5-5.45pm. We want your opinions as we write a new behaviour policy and the priorities for improvement next year.

The staff have been writing a new code of conduct/school rules for the children which we shared in assembly this morning. We also want their ideas which I've asked them to write down and tell me. Please do talk to them at home about this and encourage them to let me know their ideas.

We are aware of a small number of children using racist language. This is not acceptable at our school. Please make sure your child isn't hearing racist language on YouTube etc. We will always deal with any racism in our school very seriously.

Lots of children have been bringing me fantastic work to see this week- I am so proud of the progress they are making. We wish Year 6 good luck in their SATs next week. What's most important is that you do your best with a smile on your face. We have some handy tips to deal with any SATs stress on page 7.

Have a lovely sunny weekend, enjoy it while it lasts!

Rose Taunt
Head of School

May 15th 2024 is International Day of Families—a United Nations day of global recognition to promote awareness of issues relating to families. The theme of 2024 is Family and Climate Change. The day aims to raise awareness of how climate change impacts families and the role families can play in climate action. The books recommended below have family and/or climate change as the central theme...enjoy!
