- Speak to staff politely and work together if problems arise.

Staff - We agree to:

- Treat all children fairly and with respect.
- Use clear rules and give praise when children follow them. - Listen to children and parents.
- Let you know when a child has struggled with their behaviour at Adventurers.
- Work with families to help children succeed.

In order for everyone to have a safe, happy time at Adventurers we use the yellow and red card system to support behaviour, as we do in school. 3 red cards will result in your child being asked not to attend for the rest of the term.
