## Message from Miss Taunt

Dear Families,

Quick note on clubs — we currently have one space available in our KS2 Football Club. We also have spaces in most of our PSD clubs, and your child is welcome to try these free for one week. Full details on how to book can be found on page 5.

We have a very busy term ahead, so please make sure you check the dates carefully on page 2 to see what may affect your child.

On Tuesday, we welcomed a film crew into school to capture footage for our new website. I was incredibly proud to showcase our school, and the feedback from the team was simply fantastic, especially as they visit so many schools. You can read the full message on our Instagram account by [clicking here](#).

We have also received some really lovely comments from parents this week:

"My children genuinely enjoy coming to school each day and always speak very highly of their experiences. This is a true reflection of the dedication and care shown by all the staff at Belmore Primary."

"We will truly miss the school and the amazing teachers, but we will always carry the wonderful memories in our hearts."

Thank you — we always appreciate your feedback, whether good or bad! We will always learn when things aren't quite right but equally it's lovely to hear when things have gone well.

Have a wonderful long weekend, and we look forward to welcoming the children back on Tuesday.

**Rose Taunt, Head Teacher**

### Everything you need to know about WhatsApp

You're probably well aware of WhatsApp and its huge user-base. The app has become a go-to for a convenient and easy way to keep in touch on an individual basis as well as in groups.

But are there any possible risks, and how safe is it for children? Here's everything you need to know.

## WhatsApp safety guide for parents

<b>13+</b>	<b>58%</b>	<b>37%</b>
WhatsApp's minimum age in the UK	Kids aged 3-17 who use WhatsApp	Kids under 13 who use WhatsApp

### 5 tips to keep kids safe on WhatsApp

- 1 Review privacy settings** WhatsApp has a range of privacy and security settings to keep users safe. Customise groups, app access, live location and more.
- 2 Customise contacts** Show your child how to report and block unwanted contacts. Then, work with them to add their friends and family. Review and talk about their contacts regularly.
- 3 Talk about personal information** Make sure your child understands what personal information is. Talk about the importance of keeping that information private on WhatsApp.
- 4 Show them where to get support** If something goes wrong or they see something worrying on WhatsApp, make sure they know to come to you, and talk about other sources of support.
- 5 Check in regularly** Once you've done all of the above, check in with them regularly to review settings and how they use WhatsApp.

uniquelyeducation What an incredible day filming at @belmore\_primary\_school 📹🌟

From the moment we arrived, the energy was brilliant. The children were enthusiastic, confident, and full of personality, while the staff created such a warm, engaging environment that made everything flow so naturally.

We captured so many fantastic moments, from energetic PE sessions and swimming pool smiles, to focused maths and literacy learning. There was even time for creativity and adventure, with children building dens and exploring in forest school 🌿

It's days like this that remind us how special school communities can be. Thank you to everyone who made us feel so welcome and brought such positivity to the day – we had great fun every step of the way!

wfc\_foundationuk Another day, another great school visit! 📺

We headed over to Belmore Primary School in Hayes today for a fantastic assembly. It was a pleasure chatting with the students about all things Wealdstone FC, the upcoming FA Trophy Final at Wembley, and the importance of showing respect, both on the pitch and in the classroom. 🍌🍌

The energy from the kids was top-tier! Huge thanks to Belmore Primary for having us.
