Message from Miss Taunt

Dear Families,

Firstly, apologies for any confusion regarding Breakfast Club bookings. We are currently navigating a new system and want to ensure that everyone who needs a place is able to access one. Please could you cancel any sessions by midday on the day before the booking. To do this, scroll to the bottom of your booking and select "cancel sessions". If you are unsure how to do this, please don't hesitate to ask the office for help. We have a limited number of reserved spaces for families who are in urgent need of a place. If you think this may apply to you, please contact the school office.

Next week, our wonderful Year 6 pupils will be taking their SATs tests. These assessments measure their achievement at the end of Year 6. While the results provide their future secondary schools with valuable information about their academic abilities, they do not reflect the kindness, resilience, humour and individuality that make each of them unique. We are incredibly proud of them all and wish them every success for the week ahead.

We are committed to strengthening our relationships with parents and raising the profile of our fantastic school within the local community. As part of this, we would really value gaining a better understanding of your views and experiences.

We would therefore like to invite you to take part in one of two informal focus groups to share your thoughts about our school. These will take place on Wednesday 3rd June 2026 at the following times:

- 9:00-9:45am (on site) - for parents of children in Reception to Year 2
 - 2:30-3:15pm (on site) - for parents of children in Year 3 to Year 6
- Please sign up [here](#) if you would like to take part, The focus groups will be run by an external organisation, please be assured that all feedback will be treated confidentially and will not be attributable to any individual. We really hope you join us in making our school even better.

Lastly we are expanding our nursery! For more details about what we are offering 2 and 3 year olds in September, please see page 5.

Have a lovely weekend

Rose Taunt, Head Teacher

An information leaflet about the new NHS dental clinics for children in Hillingdon.

Seeing the dentist regularly means any small problems can be found and treated early, before they become painful or more serious. Early visits also help children get used to the dentist and feel more confident about their care.

We are here to help with a new service, designed for children/young people who have never seen a dentist or have not seen one in the last 12 months.

What's on offer?

- ✓ NHS dental services for children under 16 in Hillingdon
- ✓ longer, calmer appointments in a child friendly environment
- ✓ skilled, caring dental teams experienced with nervous or first time patients
- ✓ helpful advice for parents on brushing, diet, and check-ups
- ✓ local clinics near family hubs, schools, and children's centres.

Where can my child be seen?

High Street Uxbridge (Petrie Tucker & Partners Ltd)	218 High Street, The Chimes Shopping Centre, Uxbridge, UB8 1LB	01895 235858
130 Dental	130 Coldharbour Ln, Hayes UB3 3HB	020 8573 0026
Hayes Dental Clinic	87A Coldharbour Ln, Hayes UB3 3EF	020 8573 5899

How to access

Speak to a member of staff at your local hub for help booking an appointment, or contact your chosen dental practice directly to make an appointment for your child. **Please bring this leaflet with you to your child's appointment** as it helps the team know you're part of the hub's dental pathway.

Phones

Is my child ready for a phone?

Before giving your child a phone, consider their emotional and social maturity.

It's helpful to ask yourself whether they can follow rules and boundaries – and if they understand what's safe and unsafe online.

Consider, too, whether they are able to talk to you if something worries them, and if they show responsibility in other areas of their life.

Together with Vodafone, we developed a [decision tool](#) with 8 questions to help you decide when is the right time for your family. We also have [advice on access to technology for different ages](#) to help guide your decision.
