Message from Miss Taunt

Dear Families,

As we reach the end of another half term, we enjoyed a truly lovely weekly celebration assembly this afternoon. It is always wonderful to hear about the children's achievements throughout the week and to take the time to recognise their efforts.

We also said farewell to Mr Maudsley, who is leaving us to take up a promotion at a new school. We wish him every success in his new role.

A quick reminder regarding uniform for the summer term: cycling shorts are not permitted. Children may wear leggings, loose-fitting shorts or skirts.

On the first Wednesday back, we will be hosting two parent feedback sessions. We are committed to strengthening relationships with parents and raising the profile of our wonderful school within the local community. As part of this, we would really value your views and experiences. These focus groups will be run by an external organisation, who will be speaking with all of our internal stakeholders. Please be assured that all feedback will remain anonymous and will not be attributed to individuals. [Sign up here](#)

Don't forget that next week is half term. Mr Lewis will be leading our 'Fun Week' from Tuesday to Friday—click on the poster to book a place.

Have a lovely break. We look forward to welcoming pupils and families back on Monday 1st June.

Rose Taunt,
Head Teacher

An information leaflet about the new NHS dental clinics for children in Hillingdon.

Seeing the dentist regularly means any small problems can be found and treated early, before they become painful or more serious. Early visits also help children get used to the dentist and feel more confident about their care.

We are here to help with a new service, designed for children/young people who have never seen a dentist or have not seen one in the last 12 months.

What's on offer?

- ✓ NHS dental services for children under 16 in Hillingdon
- ✓ longer, calmer appointments in a child friendly environment
- ✓ skilled, caring dental teams experienced with nervous or first time patients
- ✓ helpful advice for parents on brushing, diet, and check-ups
- ✓ local clinics near family hubs, schools, and children's centres.

Where can my child be seen?

High Street Uxbridge (Petrie Tucker & Partners Ltd)	218 High Street, The Chimes Shopping Centre, Uxbridge, UB8 1LB	01895 235858
130 Dental	130 Coldharbour Ln, Hayes UB3 3HB	020 8573 0026
Hayes Dental Clinic	87A Coldharbour Ln, Hayes UB3 3EF	020 8573 5899

How to access

Speak to a member of staff at your local hub for help booking an appointment, or contact your chosen dental practice directly to make an appointment for your child. **Please bring this leaflet with you to your child's appointment** as it helps the team know you're part of the hub's dental pathway.

Phones

Is my child ready for a phone?

Before giving your child a phone, consider their emotional and social maturity.

It's helpful to ask yourself whether they can follow rules and boundaries – and if they understand what's safe and unsafe online.

Consider, too, whether they are able to talk to you if something worries them, and if they show responsibility in other areas of their life.

Together with Vodafone, we developed a [decision tool](#) with 8 questions to help you decide when is the right time for your family. We also have [advice on access to technology for different ages](#) to help guide your decision.

READING MATTERS

We are *RESILIENT* and
