Message from Miss Taunt

Dear Families,

Well, summer has well and truly arrived and we've had a fantastic week.

Firstly, congratulations to our Nursery Team, who were Highly Commended as Nursery Team of the Year in the Pearson National Teaching Awards. They are a brilliant team and provide amazing care and learning experiences for the children in our Nursery.

We are so proud of our Year 6s who had a brilliant time at PGL and Woodrow. They supported each other, tried new things and persevered - congratulations to you all!

Congratulations also to everyone who took part in Sports Day - what a fabulous two days celebrating how great the children are at running, throwing, jumping, hopping, skipping and all things athletics. Thank you to Mr Elkin, Mr Lewis, Mr Lane and all the Year 5, 6 and Barnhill pupils who helped the day run so smoothly. We're sorry that the Reception Day was postponed; it was just too hot for those little ones to be outside. We will keep an eye on the forecast and rearrange a date as soon as we can.

With the hot weather continuing, we're very pleased to announce that we will have an ice-cream sale on the KS2 playground straight after school. All ice creams are under £1, with the proceeds going towards buying equipment for our OPAL lunchtimes. Please bring cash if you can, although we will also have the card machine available.

With just four weeks of school left, we've so much still to pack in! The children will have their first session with their new teachers on Monday, and we've got trips, workshops and events for every year group. Please make sure your child continues to come to school every day so they don't miss out.

Don't forget to send all children in with hats and sun cream, and with a water bottle, while this hot weather continues.

Rose Taunt, Head Teacher

Is my child ready for a phone?

Before giving your child a phone, consider their emotional and social maturity.

It's helpful to ask yourself whether they can follow rules and boundaries – and if they understand what's safe and unsafe online.

Consider, too, whether they are able to talk to you if something worries them, and if they show responsibility in other areas of their life.

Smartphones vs. basic phones

Many families are choosing simpler mobile phones, often called basic phones, to give children independence without all the risks of a smartphone.

READING MATTERS

We are **RESILIENT** and

Now the World Cup has now officially started and Belmore Sports Day is around the corner, there is lots of talk and excitement around football and sport. With that in mind, this month's book selections centre on sport and the people involved, exploring themes of teamwork, resilience and the enjoyment it can offer to people playing or watching.
