Message from Miss Taunt

Dear Families,

Our summer attendance challenge is here! Children who have attendance of 95% or above in July, and who are here on the last day of term, will be entered into a draw to win a £25 Amazon voucher. You have to be in it (school!) to win it!

Our PSD HAF clubs are now available to book for all children who are pupil premium and have a code from Hillingdon. If you're not sure if you're eligible, please talk to the front office. More details on page 5. For the first time, we will be running a specialist SEND club for children in our Hub. This will include specialist provision and 1:1 support. Please contact PSD for more information through their website.

We will be selling the old school uniform (with the previous logo) as well as the new uniform on Friday during Open Day. We are also looking forward to welcoming you into school between 4-6pm on Tuesday for our Open Evening. A perfect opportunity to speak to your child's current teacher and meet their new September teacher.

Hot weather is forecast again next week but not nearly so hot as last time. The school will be remaining open as long as there are not red weather warnings issued and in that event we will review arrangements to keep our children safe.

Lastly, please read the attached letter. Our school is a place of community, safety and learning for all our families, regardless of age, gender, religion, skin colour and family situation. Please read the letter carefully so we can keep Belmore a happy, welcoming place for all.

Have a great weekend.

Rose Taunt - Head Teacher

Dates for next Week

Monday 6 July

Reception height and weight checks

Tuesday 7 July

8.45-10am - Coffee Morning, All welcome!

Nursery closed all day

Transition day

Advice for parents and carers

Phones

[CLICK HERE](#)

Is my child ready for a phone?

Before giving your child a phone, consider their emotional and social maturity.

It's helpful to ask yourself whether they can follow rules and boundaries – and if they understand what's safe and unsafe online.

Consider, too, whether they are able to talk to you if something worries them, and if they show responsibility in other areas of their life.

Together with Vodafone, we developed a [decision tool](#) with 8 questions to help you decide when is the right time for your family. We also have [advice on access to technology for different ages](#) to help guide your decision.

Taking control of your online safety

Our tips will help you stay one step ahead.

Smartphones vs. basic phones

A parent's guide to basic phones

Many families are choosing simpler mobile phones, often called basic phones, to give children independence without all the risks of a smartphone.

**internet
matters.org**

[CLICK HERE](#)

Please let us know if there are any concerns regarding bullying online so that we can support children in school. As parents, it is your responsibility to monitor and check children's usage and devices.

READING MATTERS

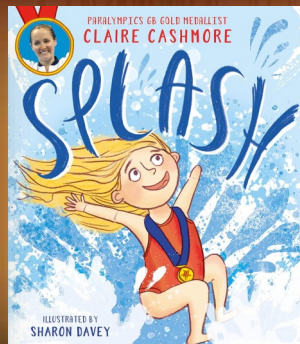

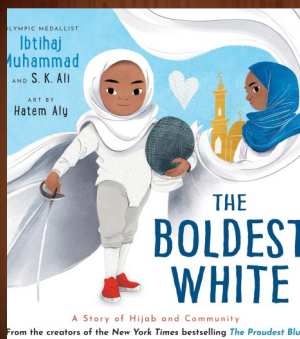

Books build a stairway to your imagination

*We are RESILIENT and
learn from our mistakes*

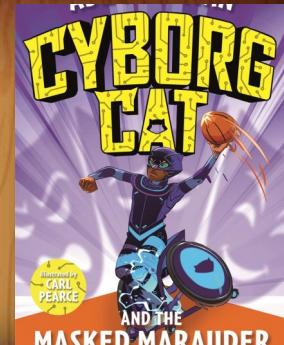

Now the World Cup has now officially started and Belmore Sports Day is around the corner, there is lots of talk and excitement around football and sport. With that in mind, this month's book selections centre on sport and the people involved, exploring themes of teamwork, resilience and the enjoyment it can offer to people playing or watching.
