Message from Miss Taunt

Dear Families,

Thank you for your patience and support this week.

We absolutely hate closing the school. To buy air conditioning units for classrooms is going to cost a lot of money which we simply don't have. Help us raise this money through our GoFundMe. Every penny raised will go directly towards purchasing air conditioning units across the school. If every family donated £5, we could buy 4 portable units. If every family invited their friends to also donate, we could quickly keep the whole school cool. Please give what you can. And thank you to the parents who suggested this—a great idea!

Next week - the weather forecast is suggesting slightly cooler days and nights. We will be open, and we really want to see this term out. We will open the gates between 1–1.15pm so you can collect children from classrooms at this time if you are worried about your child being in school during the hottest part of the day.

Exciting news — we have a charity coming to revamp our Hub outdoor playground over the summer. We would like to invite all parents to the grand opening on Wednesday 19th August at 5.45pm, for a celebration play and to show your appreciation to the 80+ volunteers who are doing the work for us. We would love to have as many families as possible join us!

School reports have been sent out this afternoon, with the exception of Year 6 — we are waiting for the delayed SATs results, which will be published by the government next Thursday. Congratulations to every single child for a fantastic school report. You have achieved so much this year! Don't forget to check your email and download the report pdf.

Don't forget our school attendance challenge to win one of 4 £25 Amazon vouchers. All children with 95% attendance for July, who are in on the last day, will be entered!

Rose Taunt, Head Teacher

Dates for next Week

Monday 13th July

Morning - Y6 RSE workshop

Afternoon - Y6 final production rehearsal

Tuesday 14th July

8.45-10am - Coffee Morning, All welcome!

Advice for parents and carers

Phones

[CLICK HERE](#)

Is my child ready for a phone?

Before giving your child a phone, consider their emotional and social maturity.

It's helpful to ask yourself whether they can follow rules and boundaries – and if they understand what's safe and unsafe online.

Consider, too, whether they are able to talk to you if something worries them, and if they show responsibility in other areas of their life.

Together with Vodafone, we developed a [decision tool](#) with 8 questions to help you decide when is the right time for your family. We also have [advice on access to technology for different ages](#) to help guide your decision.

Smartphones vs. basic phones

A parent's guide to basic phones

Many families are choosing simpler mobile phones, often called basic phones, to give children independence without all the risks of a smartphone.

Please let us know if there are any concerns regarding bullying online so that we can support children in school. As parents, it is your responsibility to monitor and check children's usage and devices.

READING MATTERS

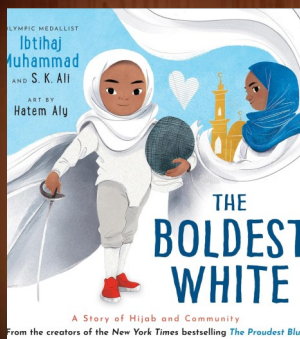

Books build a stairway to your imagination

*We are RESILIENT and
learn from our mistakes*

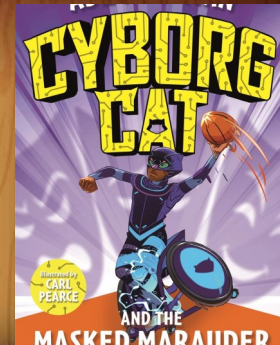

Now the World Cup has now officially started and Belmore Sports Day is around the corner, there is lots of talk and excitement around football and sport. With that in mind, this month's book selections centre on sport and the people involved, exploring themes of teamwork, resilience and the enjoyment it can offer to people playing or watching.
