

October 2026

Dear Turtles, Owls, Nursery, Pre-School and Reception Parents and Carers,

Little City Workshop – Monday 19th October

We are excited to let you know that Little City will be visiting Belmore on **Monday 19th October**.

Little City is a fun, interactive role-play experience where children can explore different jobs and roles within their community, such as doctors, firefighters, police officers and shopkeepers. The visit links perfectly with our 'Everyday Superheroes' learning, as we explore the people who help us. It will also give the children opportunities to develop their communication and language skills, confidence and imagination through play.

We are asking for a voluntary contribution of £8 per child to help cover the cost of the workshop. This will be available to pay on ParentPay. Please inform the main office if you do not have a ParentPay account or login.

In line with government guidelines, we are asking for contributions from parents. This is a voluntary payment. However, if we do not receive enough funds in voluntary contributions the workshop would have to be cancelled, as the school cannot cover the cost from school funds.

We are really looking forward to this exciting experience for the children!

Thank you for your continued support.

Early Years Team
