Dear parent/carers

As we are studying the topic of space in Science this half-term we will be going on a trip to the Science Museum. The trip will be taking place on **Friday 16th October.**

In order for the trip to go ahead and in line with government guidelines, we are asking for contributions of £6 per child from parents to cover the fees for the rocket show and Wonder Lab. Please pay using parent pay **by Friday 9 October.** This is a voluntary payment. However, if we do not receive enough funds in voluntary contributions the visit would have to be cancelled, as the school cannot cover the cost from school funds.

We will be travelling to the Science Museum by public transport. We will be leaving school at about 9.15 aiming to arrive at the Science Museum for 10.45. Whilst at the Science Museum we will be going on a self-guided tour of the Space exhibition, watching a rocket show and visiting the Wonder Lab. We will be leaving to head back to school at around 1.20 aiming to be back for normal home time.

Children will need to wear full school uniform. We advise that all children bring a hat if the weather is good/raincoat if the forecast says it will be raining as we will be using public transport.

We are having lunch at the museum so you will need to provide a packed lunch for your child in a plastic carrier bag (ideally a rucksack) which should NOT contain fizzy drinks, sweets, or nuts (due to allergies). Please ensure your child has a water bottle for the day. If you would like to pre-order a school packed lunch, then please indicate on the permission slip overleaf. We are seeking parent volunteers for the trip on a first come first basis. If you are interested, please speak to your child's class teacher at your earliest convenience. If you have any further questions, please come and see your child's class teacher.

Regards

Rose Taunt
